Continuity Clinic is a combination of full days and entire ambulatory blocks depending on the rotation. The only rotations that do not participate in continuity clinic are ICU, Wards, Night Medicine, and any away rotation at another institution. Continuity Clinic is located next to our GME office at the Baptist Medical Group – State Street Internal Medicine Clinic.														
Vacation (23 days of PTO annually, including holidays) will be allowed on all rotations other than ICU, Wards, and Night Medicine.														
Electives include Women’s Health, Wound Care, Rural Health Care, Palliative Care, Dermatology, Allergy and Immunology, Radiology, ENT/Ophtho, PM&R; along with others by request.
